

Product information

AGRT BOOKLETMAKER

Manual set bookletmaker for inline or offline operation for use with BST10-d collators.

Bourg Tower Finishing 'T' series accessories : Stitcher, Folder, Stacker

AGR-t - Automatic Stitcher

A uniquely compact, automatic stitcher that rolls in or out of the production line. It can be equipped with one or two heads, and provides top/edge/corner or saddle stitching.

PA-t - Automatic Folder

Produces booklets with crisp, clean folds. Automatically synchronizes to the speeds of collator and stitcher for high-volume output. Can handle a mix of stocks to create booklets with prestige covers.

TR-t - Automatic Trimmer

Automatically synchronizes to the speeds of collator, stitcher, and folder for high volume output. Minimum setup adjustments ensure accurate trim. Built-in container collects trimmings
